

new vintage release:

CHARMING Grüner Veltliner 2008

LMM's comment:

- **2008 PERFUME** – seductive to the max with floral, grapey and the typical Grüner spices. Lifts the spirit immediately!
- **2008 ON THE PALATE** – the perfume starts the mouth watering already, the taste fulfils the promise. Of course I love this wine – it is the most Grüner so far ... and still has the characteristic creaminess, harmony ... and charm!
- **2008 POTENTIAL** – as good as Grüner in general – drink now but please watch the longevity...

Charming 2008 - the best ever?
